Draft of Proposed Section of Budget Manual

1. Attached is a copy of the first draft of a proposed section of the Budget Manual which is being prepared for issuance as a part of the CIA Regulations.

2. A meeting will be held in my office at 9:00 a.m., Wednesday, 21 January 1963. At the same time we will discuss generally an outline of the proposed Manual and a limited number of copies will be available to review during the course of our discussion. With this in mind I would appreciate your noting any items which you think of as appropriate to cover in a Manual.
